

**Turf-Type Tall Fescue Mix**

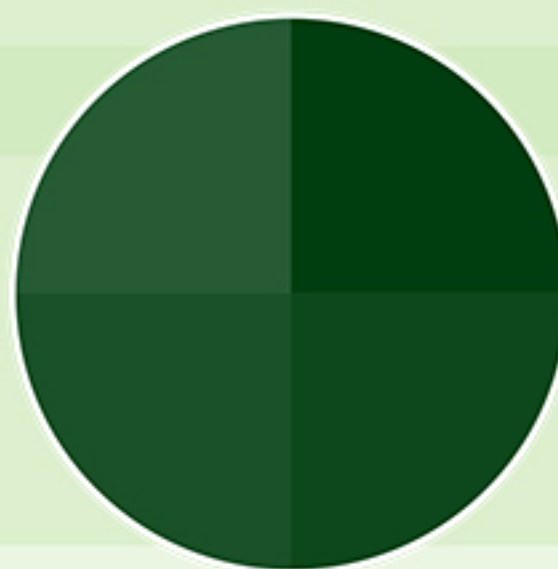

# green resistor

## lawn seed mixture

**This blend of excellent turf-type tall fescue varieties allows the turf to stay green during periods of heat, drought and disease stress, especially during brown patch season.**

- Tolerates heat and drought
- Excellent disease resistance - especially brown patch
- Can stay green where rainfall or irrigation is limited
- Low maintenance, high quality
- Ideal for golf course fairways or homes

Available in 5#, 20#, 50#

**XRE+**  
Spreading  
Tall Fescue

Look for the "XRE +" icon for products with tall fescue varieties featuring even earlier, more aggressive and rapid tillering traits and rhizome expression. These products exhibit superior density, excellent wear tolerance and rapid recovery.

**100% Turf-Type Tall Fescue  
(4 Elite Varieties)**

**ELITE VARIETY** = Improved variety holding the most distinguished characteristics of that species.
